### City budget shows \$78,421 deficit

The City of Hondo needs some red ink this year if it is to maintain the spending outlined in a budget approved

Tuesday night by the City Council with a built-in \$78,421 deficit. Expenses proposed for city

operations during the 1972-73 fiscal year, which actually began last September, total \$1,119,821 while income is

projected at only \$1,041,400. Broken down by department the approved budget reads: INCOME--General

Fund, \$217,850; Electric, \$596,150; Water, \$170,500; Air Field, \$56,900; EXPENSES--General, \$321,400; E-

lectric, \$538,700; Water, \$204,251; Air Field, \$55,470.

Councilman G. P. Chapman said he could not approve the budget as is now--the total sums are not itemized, and I don't want to be tied down to a budget that shows such a deficit."

Councilman Andy Patterson pointed out, "If we don't have the money, we certainly cannot spend the \$78,000 which is included as the deficit."

Chapman felt that the Council should have department heads sit down with a CPA and go over their proposed budgets.

Department heads expressed a feeling that such budgets are difficult to make when they have no idea what changes will come up during the year to cost money.

At the final vote Chapman reluctantly went along with other Councilmen on approving the budget.

### Council approves resolution on civil rights

Going on record in unanimous fashion, City Council members unanimously approved a resolution concerning the civil rights of all citizens of Hondo.

The resolution was presented by City Attorney Hugh Meyer and was a by-product of the hog shooting incident which took place in Hondo some four years ago. This case involved a city policeman (no longer with the force), a Texas Highway Patrolman (no longer in Hondo) and a private citizen and culminated in two hogs belonging to a Mexican American family were shot.

"This resolution actually is a reiteration of the constitutional rights of all citizens," Meyer told the Council in presenting the resolution for approval.

The resolution reads: The following statement of policy is made by the Mayor of the City of Hondo on behalf of the Mayor and City Council of the City of Hondo in connection with civil rights of persons in such City:

It is the policy of the City of Hondo to observe and respect the civil rights of all persons within the police jurisdiction of such City, including but not limited to their rights of privacy, their property rights, and rights to due process and their rights to equal protection of the law. It is the considered opinion of

the City Council of the City of Hondo and of the Mayor of Hondo that these rights are not limited or qualified by race, sex, religion, or national origin.

All employees of the City of Hondo have from time to time been informed of this policy, and any incident which violates such principles should be immediately reported to the City Manager, to the Mayor, or to the City Attorney, or to any City Councilman for appropriate action.

Once the resolution was approved, Antonio Garcia III, who was attending the meeting along with other members of La Raza Unida, spoke out: "The resolution is good and can accomplish some good, but only if it is enforced. What can be done to guarantee that this same thing won't happen tomorrow?"

Meyer answered with a question: "How can you guarantee or any of us for that fact, that we won't foul up in our job? Our only recourse is to caution against such action and then if it happens use our powers to ascertain guilt and then punish."

"That's fine," Garcia said. "But the resolution will work only if it is taken as having meaning and then enforced by the City Council. But we want the City Council to listen to our grievances and act on them. Any ... Please turn to Page 3

### this is serious business

Discussing requirements which go into the proposal for a contractor to operate the flying and maintenance portion of the Flight Screening Program slated for Hondo Airbase was serious business at this meeting held last week in Hondo. These five men, representing Air Training Command, answered questions from contractors who are interested in bidding on the program. They are, left to right: Jesse P. Dominguez, Hondo native

who is now on the Hq. ATC Procurement Pricing Staff; Jack Spratt Robinson, P. E., Hq. ATC Civil Engineering; Lt. Col. Vandy Powell, Hq. ATC Flying Operations; Capt. Paul Potter, Hq. ATC Procurement; and moderator Lt. Col. John Davis, Hq. ATC. Accompanying the group was Col. W. D. Wilkinson, Director of Procurement, Hq. ATC. (Photo by Joe Fohn)

### Pre-bid conference held by Air Force

Prospective bidders from Texas and three other states gathered in Hondo Thursday, January 4, to hear Air Force officials discuss needs for the Flight Screening Program to be operated at Hondo Airbase by the Air Training Command. Col. W. D. Wilkinson, Director of Procurement at ATC headquarters at Randolph, headed the group that outlined the needs to potential

bidders and then fielded questions on various phases of the operation.

The Flight Screening Program will begin about May 17 and the successful civilian bidder to operate the program should be named by the last of March. It will include some 80 T-41 aircraft and approximately 100 personnel. Gary Aircraft Corporation will build the 24,000 square foot building required for the operation.

Attending the pre-bid conference were Hallmark Aviation, Inc., San Antonio; Gary Aircraft Corporation, San Antonio; Central American Airways, Big Spring; International Aerospace Service, Inc., Charleston, S.C.; Lester Industries, Inc., San Antonio.

Also, William J. Young, Hondo; Del Rio Flying Serv-

ice, Del Rio; Ross Aviation, Inc., Tulsa, Oklahoma; Doss Aviation, Inc., Fort Rucker, Alabama; Texas Research, San Antonio; and S. W. Jetronic Corporation, San Antonio.

### Pickup contract awarded

Economy Motors of Hondo submitted the low bid on a pickup truck Tuesday night at the City Council meeting and was awarded the contract to provide the vehicle for the Water and Sewage Department.

The low bid of three submitted was \$2819 net delivery price with delivery being made in 110 days.

Other bidders were, at net prices, Jake Schuehle, \$2855 and Jack Winkler \$2899.

### Oil gives trouble, not calm

Oil has always been used to calm troubled waters, but Water and Sewage Department Superintendent Elmer Faseler says right now in Hondo it is the problem not the cure.

Faseler told City Council members Tuesday night that someone is pouring drained oil into sewage system somewhere and it is "causing havoc with our treatment plant."

Faseler said "somewhere someone is pouring five to 10 gallons of drained oil so that it gets in the system and it certainly gives us trouble at the plant."

He said they had experienced this trouble once before and found who was doing it. "I hope we can either find them this time or that they will realize the damage they are causing and stop the practice."

### Hondo merchants offer 'best' trading center

The merchants and businessmen of Hondo begin an extended campaign this week to attract the readers of the Anvil Herald to their shops and business establishments.

Hondo's progressive businessmen and the Anvil Herald are working together to make our community into the best shopping and business district in this area.

Each week beginning with this edition of the Anvil Herald you will find articles about the Hondo businesses and businessmen, a special section in which each firm will advertise its goods and services and special plans to make your shopping in Hondo more pleasurable.

are interested in you, the customer; they spend their time and effort to supply you with exactly what you want at reasonable and fair prices and to provide you with courteous service, assistance and personal attention.

Don't fail to read the Anvil Herald each Thursday to learn about the special plans and offers of the entire Hondo business community.

This week is TRADE-IN HONDO WEEK for all of the firms listed below.

You will find a great welcome at all these firms displaying the "TRADE-AT HOME" poster.

Shop or browse to learn for yourself that they can serve you best.

### He's mad

And you can't blame Rudy Moos for being mad, hopping mad. For some thoughtless litterbug, who could care less, dumped this pile of mess in Rudy's field just north of the cemetery. "I've picked up stuff before," Rudy said, "and I get madder each time. One time we were lucky enough to find something that identified the people who dumped it and they were prosecuted." Rudy says he has received good cooperation from the city in helping to try to catch anyone dumping trash. "But it keeps happening." This senseless littering poses a problem all over the county and really defies solution unless violators can be identified or come to their senses and stop the practice.

### BLACK EYES

... are what we used to get when we fought as kids. But they eventually faded away and everything returned to normal.

I am not so certain that Hondo will ever completely recover from the black eye it received Monday through what I would call a chain of unnecessary events culminated by another overdose of biased, sensation-seeking reporting on the part of a San Antonio television station.

Everyone concerned with the whole mess is wrong and must share the blame for the town wearing a black eye in the opinion of outsiders.

The hog shooting incident which happened almost four years ago culminated in District Court Monday with all the people of Hondo (and I mean every man, woman and child belonging to all ethnic groups) winding up the losers. I am not saying taking it to Court was completely unnecessary, but the way it was handled certainly was.

In the first place the incident should never have happened. It was an unnecessary piece of arrogance. Then in the second place, the people offended should have talked with the City Council (which they never did) and given them the chance for apology and retribution which was offered at the time.

The third "wrong" in the entire episode was the entrance of outside influence to use the incident as a "case in point to prove the City of Hondo" (meaning every person here) violates the rights of its citizens. That rights were violated is acknowledged, but it wasn't the City of Hondo; it was three individuals acting on their own.

Then enters television to show one side of the story. The presentation never gave any indication that the majority of the people of Hondo did not approve of the act, nor that the City of Hondo had offered (and been turned down) to make retribution. This I call irresponsibility reporting, but that is nothing unusual with television.

I personally resent, as a citizen of Hondo, being included in the classification of the "gringo" who is always doing an injustice to the Mexican American people. And rest assured that those same

### Outstanding Salesperson

Who is the best salesperson in Hondo?

The Hondo Anvil Herald is going to let you select that person.

During the next eight weeks, to coincide with the Trade At Home promotion being co-sponsored by the Anvil Herald and 34 Hondo businesses, the Anvil Herald will conduct a contest to Name the Outstanding Salesperson of Hondo.

What will you be looking for in naming an outstanding salesperson? How about courtesy, friendliness, most helpful, best informed on their merchandise, the happiest? These are just a few of the items to check for.

Nominees can work in

any business in town. They do not have to come from the 34 merchants participating in the Trade in Hondo promotion. And since there are so many small businesses in Hondo they can be the owner, manager, his or her husband or any other person working there.

All you have to do to help select this person is clip out the coupon to be run each week in the Anvil Herald and either bring it by the Anvil Herald Office or mail it to Box 400.

All votes will be tabulated and at the end of the eight weeks the three top winners will be featured in the Anvil Herald and given prizes.

### Public hearing scheduled

A public hearing on a proposed amended budget for Medina County has been called by Commissioners Court for 10 a. m. Wednesday, January 17, in the Commissioners Courtroom at the Courthouse.

The budget includes the some \$370,672 in Revenue Sharing the County is to receive for 1972 and 1973. The 1972 funds of some \$185,336 has already been received.

In a breakdown of the funds, \$185,336 is to be divided among the four Commissioners precincts, with each receiving \$46,334.

The remaining \$185,336 will be utilized in the General Fund and shows broad breakdown as: Administrative and General--\$98,600; Health--\$5,500; Judicial and Courts--\$20,625; Law Enforcement--\$45,350; Recording--\$7,190; Tax Assessing and Collecting--\$8,055.

(A more complete breakdown will be given in next week's issue of the Anvil Herald.)

Libraries, the Museum and Fire Departments shared in the money, with the breakdown reading: Libraries--\$3,000; Museum, \$2,000; and Fire Departments--\$5,000.

# Arias case settled out of court

The damage suit which arose from the shooting of two hogs in Hondo in 1969 was settled out of court, it was announced by Judge of 38th

District Court Ross Doughty Monday morning. The plaintiffs, Francisco Arias and Andrea Arias, first asked damages of \$15,500 in

the case, charging that Texas Department of Public Safety officer Harold Baecker, Hondo policeman Roland Blackwell, and Hondo ranch-

er Donald Muennink, had wrongfully destroyed two of their hogs, without authority. As a result of the incident, the suit also alleged that Mrs. Arias suffered from shock and also from complications during pregnancy.

Police Officer Blackwell, accompanied by Baecker and Muennink had appeared at the Arias house after neighbors reported a disturbance involving the loose hogs.

While they were there, the decision was made to kill the hogs, and they were shot as Mrs. Arias watched.

Attempts by the City to settle the matter after the incident were not acted upon by the Arias family, and the case was referred to District Court.

Monday morning, Judge Doughty noted that the plaintiffs appeared in open court along with attorneys for the defendants, and announced the cause had been settled. Plaintiffs moved for dismissal. The case was dismissed "with prejudice", meaning plaintiffs agree not to reinstate the charges at a later date.

The referral attorney for the Mexican-American Legal Defense League and Education Fund, John Serna, and MALDEF staff attorney Guadalupe Salinas announced Monday that the suit had been settled for \$1,500.

## More about . . . ....Resolution

Cont'd. from Page 1  
further action on our part will be determined by the reaction of the City Council to our problems.

At this point, Meyer pointed out: "You know Tony that can cut two ways. It is only natural that the City Council can also react to your re-action."

Meyer told the city that attorneys in the hog shooting case assured the city that should any kind of action arise in the future they would see that the City had a right to correct it; which was not the case in the hog shooting incident where the city could never get the offended residents to come forward and discuss the incident.

## AACOG request approved

Approval of the City of Hondo's share in a city-county regional communications system was given Tuesday night by the City Council to the tune of \$1,035.25.

The system is an AACOG project which has received a grant of some \$48,000 to provide radios and other equipment which are all tied into one frequency.

Hondo will get four new radios and three walkie-talkie type machines according to Police Chief Jerry Williamson. "Then we will be on the same frequency with the Medina County Sheriff's office, with San Antonio police and with Bexar County Sheriff's office," he said.

Williamson explained this grant and the equipment is in keeping with a federal plan to provide faster and better communications for all law enforcement agencies.

Reporting to the Council on department activity, Williamson said that 18 more wrecks occurred in Hondo during 1972 than in 1971.

He also said the Highway Department survey team taking a look at the speed zones along Highway 90 through Hondo has indicated it is about through.

"From all indications," he reported, "they will recommend an increase in all zones along with a traffic light at the Avenue E and Highway 90 intersection," Williamson said.

## 'Nothing happens until someone gets excited', Capone

"Everything that benefits your city benefits you and everything that hurts Hondo hurts you," Louis W. Capone told a large group of Hondo businessmen and women and salespeople at a seminar sponsored by the Anvil Herald Monday night.

More than 75 persons attended the dinner meeting at the New Frontier Restaurant to hear Lou Capone discuss "How to Win Customers and Increase Sales".

The program opened the TRADE-IN-HONDO promotion of this newspaper to build the image of Hondo as the best trading center of this area.

"You cannot function as a salesperson unless you can

love the human race," Capone said, "and when you do, you can be sincerely interested in the customer and achieve professional salesmanship."

He discussed the development of the individual's personality and charm as basics to successful living and salesmanship.

## Museum changes decided

Important changes were announced last Thursday night for Museum Celebration Day 1973.

The event will be a two-day affair this year with the celebration festivities taking place on Saturday, May 5, and the Antique and Collectors Auction being run off beginning at 1 p.m. Sunday, May 6.

As usual the festive action will take place at the National Guard Armory with the starting time being set at 3:30 p.m. like 1972.

However, a change has been made in the location of the Antique Auction. This year it will be held in the 4-H Livestock Barn at the Hondo Livestock Auction area.

Another change in the Antique Auction voted last week by the directors was the decision to handle items for auction for a 25 percent commission. Commission on PO items will be 5 percent. Anyone having items for sell can do so by paying the 25 percent commission on the final auction price.

"This does not mean we won't take items people wish to donate for auction," President Frank Graff said. "We want, and need, all of these we can get, for they constitute the main source of our money at the auction. So anyone who has any type of item they wish to donate, please let us know."

Several new projects were outlined and discussed at the Thursday meeting. One is the building of a display area in the warehouse section of the Museum for showing a history of schools in Medina County.

Old school items are now in hand and others will be sought, and a history will be given of each school operated in the county since (or before) its founding.

Hondo Garden Club members sent word they would plant three more trees at the Museum site and directors accepted their offer with gratitude.

Director Harlon Wolff agreed to contact Mrs. Josie Finger, Chairman of the Medina County Historical Survey Committee, to ask her to seek a historical marker for the Museum.

ness, human relations and enthusiasm were among the subjects covered in the 90-minute seminar.

"Charm is as important to men as women," Capone told the audience, "and it can be acquired. There is no limitation for developing the charming personality, not of age, sex, physical, financial or social circumstances," he added.

He told the group of employers and employees that modern salesmanship is not trickery, puffery or lies; that selling in the seventies is truth and knowledge, and that the true salesman is a trusted adviser of the customer.

Somebody gets excited; get excited about your job, your firm and your city," Capone concluded.

Thirty-four firms are participating in the campaign to make Hondo a better and happier place to shop, tomer.

"All things being equal," the audience was told, "the people of Medina County would rather do business in Hondo than San Antonio or any other city."

"Nothing happens until

## Okay given lights

Instructions to go ahead with plans to install lighting at the helicopter landing site at Medina Memorial Hospital were given by the City Council Tuesday night.

Electric System Manager Fred Johnson said that electric materials needed for the job would cost approximately \$700 and added to labor cost the job would run about \$2,000.

The work will consist of installing 20 perimeter lights around the concrete landing pad (actually no concrete has been poured due to all details on lighting were available) and some flood lights.

City Council also instructed Johnson to go ahead and improve lighting arrangement in the hospital parking lots at the same time he was doing the work at the heliopa.

George Gooding reported that he has the red light which is to be installed at the top of the Farm Bureau tower in that area and will do the work shortly.

In his electrical report Johnson said that electricity consumption was up seven and one-half percent this reporting period over the same period last year. "Last year, 1972, showed a gain of 3,000,000 kilowatt hours over 1971," he told the Council.

## Archbishop Francis J. Furey Medal

Among the more than 250 people who received the "Archbishop Francis J. Furey Medal" award and certificate of Merit were four from Hondo and D' Hanis. At left are Leo Laake and Marie Richter, recipients from Hondo; at right, Mrs. Josie R.

Finger and John B. Nester, from D' Hanis. The awards are given to individuals in appreciation of their outstanding service to their parishes and communities.

## Homemakers to hear Tailoring Tips

At their regular meeting on Tuesday, Jan. 16, Hondo Young Homemakers will receive instruction in methods of clothing construction. Mrs. Gaye Bippert, Medina County Home Demonstration Agent, is to present the program "Tailoring Tips".

She will include techniques to help the at-home seamstress achieve a more professional look in her

wardrobe. Local members invite anyone who is interested in sewing to attend this meeting at 7:30 p.m. in the Homemaking Department at Hondo High School.

On December 15, the Young Homemakers entertained their husbands with dinner at the New Frontier Restaurant. Following the meal, the couples enjoyed various party and card games

with Young Farmers and their wives at the high school.

During the evening back-

ets were filled with assorted canned goods which were later included in the Empty Stacking collection.

## 4-H news

### South Hondo Unit I

The South Hondo Unit I 4-H Club will meet Monday, January 15, at 7:30 with Andy Gilliam presiding. The meeting will be held upstairs in the Methodist Educational Building.

The night's activities will be planned by Junior Leader David Geuea and his committee: Johnny Gonzales, Steven Graff, Suzanne Carabail, Bonnie and Margie Geuea.

An Ecology program will be presented by the members from Medina County who attended 4-H Ecology camp last summer. They are Deanne Howard, Jimmy Mumme, Cynthia Marbach and Joey Hartly.

Janey DeGroot and Darlene Formann will serve refreshments.

### "I'M HERE"

Brian Scott  
Meinen

Mr. and Mrs. Jonathan Meinen announce the birth of their first child, a boy, born January 3, 1973 weighing eight pounds, three ounces. He has been named Brian Scott and he was 20-1/2 inches in length.

Maternal grandmother is Mrs. Stanley Saathoff. Paternal grandparents are Mr. and Mrs. Gurbhard Meinen of Nordheim, Texas and great-grandmother is Mrs. Clara Nietenhoefer of Hondo.

Mrs. Meinen is the former Mary Lee Saathoff.

### 4-H Food Group

The fourth year Food Group of Leader Mariette and Jeanette Aelvoet, consisting of Leslie Muennink, Janet DeGroot and Joy Heffigan is almost ready for the Favorite Food Show Feb. 17 in D' Hanis. The girls have completed six project meetings involving experiments, cooking, and science cookery.

The girls prepared a full dinner and also toured a pepper packing plant north of Hondo. This week they prepared a demonstration and a talk.

Janet's talk was on "How to Eat Well for Less". Her demonstration was "The Storage of Lettuce". Leslie's demonstration was on "How to Make Nachos", and her talk on "The Importance of Food". Joy was unable to attend the meeting.

Next week, the girls plan on touring the local supermarket.

### FHA Chapter 1 Meets

Chapter I of Hondo Future Homemakers of America met in the Homemaking Department Monday, Jan. 8, for a regular business meeting.

Plans were made for the Bake Sale which will be held Feb. 10 in front of Dan's Drug Store, HEB, and the Bank at 9 in the morning.

Afterwards, both Chapters I and II met together for an educational program presented by Mrs. Peden on Venereal Diseases.

This week  
**All she wrote**  
by Edna McDade

Somehow, in the way time has of marching on and gathering speed with the years, the small folk I knew when I moved to Hondo from Dallas in 1961, are now HHS seniors and juniors.

It gave me a feeling of real pride when I noted the names of several among the recently announced members of the National Honor Society, ETHEL HARTMAN Chapter. Senior JACQUE FITZPATRICK was once my charming little-girl next door neighbor when I lived on 22nd Street.

Juniors I remember well include LINDA BENDELE, MARC WESTBROOK, DONNA POERNER, GENE McANELLY, TERRY NIRA, LARRY McWILLIAMS and DEBBIE WALCH, who was my neighbor when I lived on Ave. L.

Debbie had a good example set for her by her sister CAROL (Mrs. EMANUEL) HONIG, who continues to earn scholastic honors.

\*\*\*

Reading the account of the 65th wedding anniversary of Mr. and Mrs. GREGORIO GONZALES, I noted that he was born in Laredo, my old hometown, on May 5, 1887 and moved to Hondo in 1917.

The couple must feel added pride in being the progenitors of 113 direct descendants, including ten children and one great-great-grandchild. That's a lot of names for parents and grandparents to remember!

\*\*\*

We just might have a militarist among our Hondo first-graders. His recent letter to Santa requested, among other items of a more pacifist nature, "a Bbeegon, Mashengun and a Hangnase."

Or perhaps the young petitioner is a Don Quixote fan and remembered that, among the many elegantly concise quotations which spring from this still popular book is one that claims "Forewarned is fore-armed".

\*\*\*

With the ink hardly dry on the after-Christmas bills, comes news that one of the country's biggest toy manufacturers is readying new better-than-ever (every year, same claim) toys for display at the annual toy show held every February in New York.

Espionage being what it is within the highly competitive trade, heavy guard is maintained at the No. 1 factory.

In spite of the 1972 Republican year, a wooden elephant toy didn't make the scene in time for Santa's pack last year. Trunks were too slender and kept breaking off during testing. Suddenly a worker discovered that the trunk made for the elephant, also made a most appealing pig.

And, pigs could do with more appeal anyway. So, although 1973 is the Year of the Cow (or Ox), look for the squeal of success from toy barnyards.

\*\*\*

By way of the U.S. mail, I learned that the C. B. (Jewel) GASTONS now have a new travel trailer with all the creature comforts. The gift was a sort of even exchange between these two outdoor enthusiasts for "our Christmas, birthdays, anniversaries" perhaps even for Easter and the 4th of July?

Keep it rolling, neighbors, and head it down thisaway some day enroute to your favorite coast fishing spots.

\*\*\*

With his two young daughters, NANCY and KAY, making the local news often with their many interests and achievements, ROTHE MARTIN has now had his turn. He is to be congratulated on having won the award for excellence in grazing management, as presented by the Hondo Young Farmers for the Texas Section of the American Society for Range Management.

And MARY (Mrs. R. M.) can pick up her family's halos if they should happen to drop one. Busy school teachers usually play back stage roles, anyway. Ask any one of them. Thing is, they never seem to mind, bless them!

\*\*\*

"Too many tempting goodies, since Thanksgiving," writes a Dallas friend, "added 20 sudden and unwelcome pounds. Worst part of it is my old wardrobe won't stretch to accommodate the new bulges!"

When weight starts gaining on us, we'd better not wait too long to do something about it, I'm telling me.

## Hondo lumber company has both history and future

After 70 years of constant service to Hondo and the Medina County area, Hondo Lumber Company is still serving, and in more ways with more supplies, tools, and personnel than ever before.

Third generation owner Ferdie Batot, who took the reins since coming to work seven years ago, joins a tradition of Batots in lumber business which dates back to his grandfather Felix, who along with partners John Finger and Heinz Rothe, acquired the business in 1900.

Since the retirement of Felix, his son, Milton, has managed the business, and

he is still active in the Lumber Company today.

Hondo Lumber Company supplies contractors and retail customers with lumber, plywood and paneling, paint, hardware, ready-mix concrete, and electrical and plumbing supplies.

Among the famous brand names represented in the inventory of Hondo Lumber Company are Georgia Pacific Lumber, U.S. Plywood, Colony Paints, and Flint-Kote Roofing supplies.

The supplying of Ready-Mix concrete adds a new dimension to the line of building goods both for contract-

ers and do-it-yourselfers, and it has been a successful addition to the list of products at Hondo Lumber Company.

Assisting Ferdie and his father at the company are employees William Grell, Mac Santillano, Gummy Santillano, Johnny Corona, Ysidro Marez and Virginia Loera.

The company serves a wide trade area from Real County to Frio and Bexar

Counties, and up to one-half of the total annual sales have been recorded in neighboring communities by contractors who have heard of the Hondo firm and patronized it.

Since 1902 Hondo Lumber Company has supplied building needs in the area, keeping pace with every innovation in building materials and methods, and the people at Hondo Lumber Company are extending this same spirit of service into the future.

## DeMontel's features fine furniture

When Ralph DeMontel moved his furniture-appliance-butane business to its present location in May of 1965, it was just one more move upward for the Castroville native's sales career.

Beginning as a one-man sales and installation business in pre-war Hondo and Uvalde, DeMontel in 1946 took a new location in the Jungman Building in Hondo (site of the present library) and set up shop selling appliances and butane to the hungry consumers of the postwar era.

"In those days it was just me and my wife. She kept the books and minded the store, and I would go out and sell, then deliver and install the appliances. At first times were so tight that we had only one water heater and one range in the store. All we could do was fill orders and deliver when they arrived."

Times have changed at DeMontel's. Today, a spacious store building stands with tasteful furniture dis-

plays to give customers an idea of how their new furniture will look in their home. For easier choices, a block-long warehouse at the Air-base contains more furniture and appliances, all unpacked and on display.

Eight employees help make DeMontel's the largest supplier of furniture and appliances between San Antonio and the Rio Grande. Aided by R. J. Lutz, John Melton, J. D. Baker, Marvin Beyer, Lillian Heyen, Helen Nooner, Pat Salazar and Albert Niza, DeMontel sells a stock of medium to top-line merchandise which includes brand names such as G.E., Frigidaire, Zenith, and Friedrich appliances, and such furniture names as Tell City, Kroehler, International, Stanley, Bassett, FlexSteel, Simmons, Sealy and Serta.

"Our stock is all top-quality, real Number One merchandise. We have the volume to buy direct from the factory, and we'll compare selection and prices with any dealer, anywhere," DeMontel declares.

Owner-Manager Ralph DeMontel stands in one of his show-windows with a display of fine living room furniture. All merchandise at DeMontel's is assembled and on display for easier choosing.

tel declares.

Behind every sale of a successful, growing business, there has to be a solid service and maintenance organization. DeMontel's is no exception, and R. J. Lutz heads up a service shop which is capable of repairing any appliances sold at the store, from water heaters, to electronic microwave ovens.

Looking to the future needs of Medina County consumers, DeMontel's has incorporated a new product which will provide an economical, non-polluting fuel

for cars, pickups, tractors, and irrigation motors. Today any automobile or truck engine can be converted to the use of LP gas by the servicemen at DeMontel's.

That's the way it has always been at DeMontel's. Give the best service for the customers today, and prepare for the needs of the future.

Ralph DeMontel says, "We have the best selection and the best prices anywhere--and they can check it out."

They do, and they most always come back to DeMontel's.

## Jack Winkler's has 'Best Deal' since 1952

Jack Winkler, president of Jack Winkler Motors, Inc., will soon celebrate 21 years of selling new and used cars in Hondo. On April 3, 1952 he began his car selling career which has expanded each year since then.

Beginning with the local Buick franchise and adding Pontiac, Chevrolet, and Oldsmobile in later years, the dealership was founded and continuously operated as a high-volume, low-profit, quality business establishment.

Great pride has always been taken in seeing that customers are sold the best for the least amount of money, with the dealer interest-

ed in the customer's satisfaction after the sale as well as during the sale.

Jack Winkler's associates have been around a long time also. Of the 20 employees, there are twelve with ten or more years in the company, and nine more with over 14 years each.

Parts manager Harvey Renken and Sales Manager Milton Renken, Service Manager Elton Lutz, and Office Manager Mrs. Theilka Wengert, have a total of 78 years in the organization. Each of these managers always strive to help the customer by seeing that he gets good service and good products at realistic prices.

Selling new and used cars

is the main concern of Winkler Motors, but a 4,000 sq. ft. parts department--the most modern and thoroughly equipped service department using the latest technical knowledge, the most modern body shop with complete heated Paint Booth as well as frame machine--combine to make this dealership a one-stop place to do car shopping and servicing.

At a recent meeting both John C. Winkler and Larry Winkler, son of Jack Winkler, were elected vice-presidents of the firm. They promise continued good prices and good service to all of the firm's friends and customers. Low-profit sales and the

best in after-sale service have generated repeat business at Winkler's, because one satisfied customer tells another and accounts for the tremendous volume total of 18,000 car sales since that third day of April, 1952.

Medina County's GM Supermarket provides four of the six top selling cars in America under one roof in Hondo, offering the best models, the best colors, the best variety and the best prices.

Since the day business began in 1952, the selling motto, "The Best Deal in Texas", has been advertised and has been a part of Jack Winkler Motors.

## New Frontier has quality food

"We like our customers to see something interesting while they're in here," explained R. C. Bless, owner of the New Frontier Restaurant as he gestured toward an antique display in the center of his dining room.

R. C. and his wife, Norma, took over as owners and operators of the New Frontier Restaurant in 1969, after R. C. had worked for

22 years at Universal Rundle in Hondo.

Since the day they opened for 3-1/2 years, R. C. and Norma have built a business which brings not only travelers on Highway 90 but also area residents back again and again for breakfasts, lunches and dinners.

They serve a varied menu which contains specialties such as steaks, seafood, and Mexican food. A special dining room accommodates banquets and private parties, and the New Frontier provides a monthly meeting room for the Board of Directors of the Chamber of Commerce.

A vital part of the New Frontier work force is R. C.'s father Rollie Bless, who has greeted customers daily for 3-1/2 years without fail.

Other members of the business "family" who cook and serve the food are Virginia Vasquez, Virginia Garcia, Carol Schoellman, Dora Cantu, Yolanda Guajardo, Vickie Guajardo, Bertha Parra, Hope Frausto, Mary Hernandez and Juanita Martinez.

Also, Dolores Lopez, Susie Alvarez, Nora Sanchez, Elisa Gauna and Nina Rodriguez.

# Grand Jury returns 53 indictments

The Medina County Grand Jury returned a total of 53 indictments last week during

their two-day session. The indictments included one for murder, five each

for rape and sodomy and seven separate burglary indictments against two San Antonio men. The balance of the indictments were for less serious offenses.

The murder indictment was returned against Raymond Davila, who is charged in the death of an elderly Natalia man last summer.

The burglary indictments were returned against San Antonio residents Ricky Lynch and Hart Tollett, Jr. Their arrest apparently cleared seven Medina County burglary cases and several in surrounding counties.

The rape and sodomy indictments were returned against five San Antonio men charged with abducting a 15-year old San Antonio girl and attacking her near Rio Medina last month.

### Banquet Set

The annual Medina County Camp Fire Girls Banquet for the parents, Camp Fire Board Members, Council members and friends of the girls will be held Monday, Jan. 29th, at the Meyer Elementary School Cafeteria at 7 p.m.

Guest speaker will be Mr. Pat Priest, president of the Alamo Council of Camp Fire Girls. A delicious meal has been planned and tickets are \$1.50 each.

All parents and Council members are requested to attend to learn what is being accomplished and what goals lie ahead in this fine organization for girls.

The local leaders work diligently each week in Castroville and Hondo toward the development of the Blue Birds and Camp Fire Girls. Show your appreciation by attending. Mark your calendar as each group wants to be 100% represented. Reservations must be in by Jan. 19th. Contact any Camp Fire Girl, her leader or Mrs. Paul Pope for further information.

## They want to come to Hondo

These are a few of the contractors who attended a pre-bid conference held in Hondo last Thursday by Air Training Command personnel. Most of the contractors already operate a flying program at Air Force bases at the present time. One of them will be successful with a bid to operate the Flight

Screening Program which will get underway at Hondo Airbase early in May. At right front is City Manager Fritz Leinweber and right rear is Charlie Hutchison of Gary Aircraft Corporation who will construct a building for the program. (Photo by Joe Fohn)

## Four injured in pickup crash

Four men were injured early Wednesday morning in a spectacular one vehicle crash on Highway 90 West just inside the Hondo city limits.

Taken to Medina Memorial Hospital for treatment of their injuries were Vinton Ferrell, 41, of San Antonio, driver of the pickup truck, and his three passengers, Juan Bustamante, Jose Martinez and Jesus Puentes, all illegal aliens on their way back to Mexico.

Officers said the pickup truck driven by Ferrell apparently hit a slick spot in the road and skidded out of control for over 700 feet before striking a second pickup truck parked at the Railroad Signal Station west of Hondo. Police said after striking the second vehicle the pickup continued its skid another

50 feet before bursting into flames. Officers said a passing truck driver, Tom Newton of Houston, pulled the men from the burning truck.

The pickup truck parked at the railroad station was owned by Robert Alexander of Devine, an employee of the railroad.

One of the injured aliens, Juan Bustamante, tried to flee from the scene of the accident but was captured a short time later and taken to the local hospital for treatment of his injuries. According to officers the three aliens were picked up by Ferrell in San Antonio and he was giving them a ride back to Eagle Pass when the accident occurred.

All four men are hospitalized. Ferrell is apparently in the more serious condition.

## Sidewalks in spotlight

Crosswalks over the railway tracks again came up for attention at the Tuesday night City Council meeting. Jesus Rodriguez asked the Council for a progress report on the sidewalks at Avenue 8 and Avenue S that had been approved last spring for a possible completion date before school started.

City Manager Fritz Leinweber said that the City has

been waiting on planking work by the railroad company and now this is complete.

"Can you give us a commitment as to completion?" Rodriguez asked.

"It probably will be some time in the Spring when the weather clears up," Mayor George Brucks said.

It was determined that the City crews can pour the sidewalks when weather permits.

## Owls stretch district string

The Hondo Owls remained undefeated in District 28-AA basketball action Friday night with a 90-51 rout of Carrizo Springs on the local court. The Owls outscored the visitors in every quarter and took a commanding 46-28 halftime lead.

Keith Ligon led all scorers with a season high 29

points. Brian Finger added 23 points for Hondo while Doug Helvey notched 14 points.

Hector Saenz paced Carrizo Springs with 15 points followed by Billy John with 12 points.

The Owls made a clean sweep of the evening at the Hondo "B" Team scored a close 3-point win over the

Wildcat "B" Team and the Hondo Freshmen won easily.

The Owls are now 3-0 in District play and 6-4 for the season. The Hondo "B" Team remains undefeated at 4-0 and the Freshmen are now 2-1 on the season.

All three teams return to action next Friday night at Devine against the Warriors.

## Swimming pool bids to be read

Bid opening on the olympic size swimming pool planned for the Castroville Regional Park has been set for 2 p.m. Friday, January 12, at the City Hall in Castroville.

Park Coordinator William T. Tschirhart says the pool will be 42x75 feet on one

section and will be marked with swimming lanes and feature starting blocks. He says the deep end of the pool will include a section measuring 30x39 feet which will have a 1 meter diving board and a 3 meter diving board.

Tschirhart hopes the pool

will be completed for at least part of the upcoming swimming season.

Four employees have been hired to help clear the site at the park and Tschirhart says that two are from Castroville, one from Lytle and one from Hondo.

## Regional Band Concert Saturday

All 16 Hondo High School Band students who competed for the All-Region Band in Devine last Saturday, were selected as members of the Band.

They are: Amy Johnson and Rhonda Hare, Clarinet; Mariette Aelvoet, Alto Clarinet; Adrian Sorrell and Debbie Krenmueller, Bass

Clarinet; Carol DeMontel, Oboe; Linda Owens and Deborah Delony, Bassoon; Abel Dominguez, Alto Saxophone; Linda Bendele, Tenor Saxophone; Cindy Eckhart, Baritone Saxophone; Theresa Nira, Cornet; Belinda Wernette, Horn; Alfreda Brookshire, Trombone; Maurice Blackshear, Bass; and John Rodri-

guez, Percussion.

This Saturday the Region Band will meet in Devine for a Clinic and Concert. Conductor of the Band this year will be Bryce Taylor, Band Director at Alice High School. The Concert will be held at 7 p.m. in the Devine High School Gym and the public is invited to attend.

## Freshmen post winning record

Things are looking up for the Owl basketball picture in future years, if the performance of the Hondo freshman team is an indication. The group has compiled a 5-1 record, including first place in the Devine Tournament last

week.

In the opening game of that four-team tourney, the Owls finally outlasted Southwest High School 27-24 after two overtimes. Starting for the Hondo team was Paul Richards who dropped in 25

of those points single-handedly.

In the final game, the Owls defeated Medina Valley 30-24 behind a balanced attack, with Richards scoring 12 points and Alex Mendoza

bagging nine points.

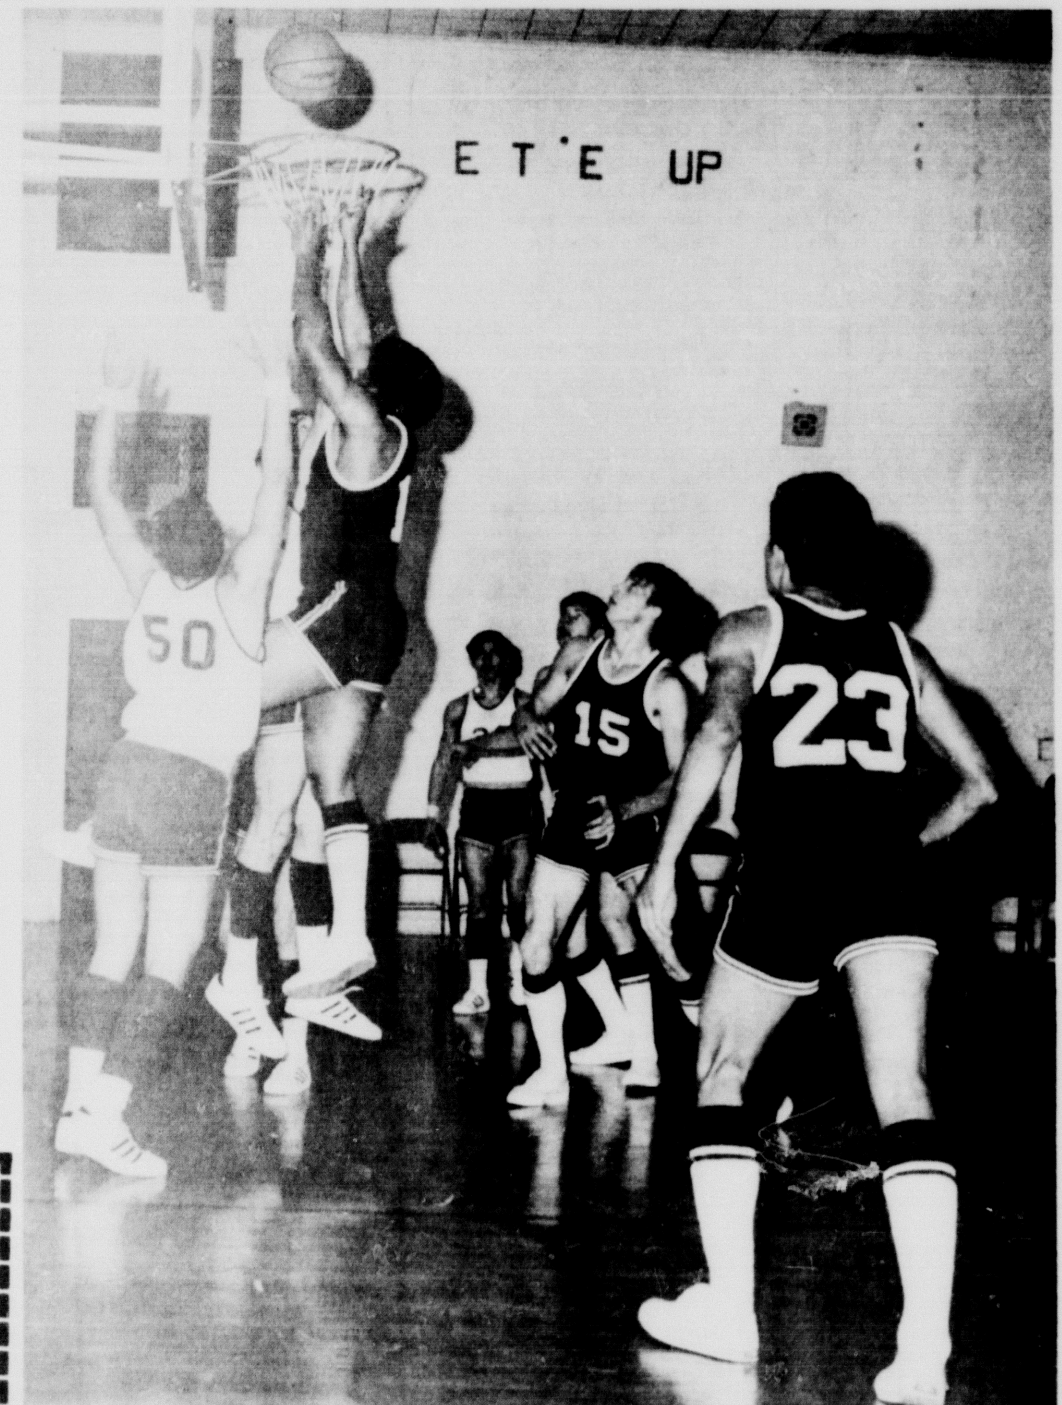

Monday the Freshmen downed Boerne 54-42, with another 25-point attack by Richards. Last Friday they routed Carrizo Springs by a lopsided 40-17 score, in which Gallardo scored nine points and Mendoza scored eight.

1972 Hondo Owls Basketball Team

Unbeaten in district play so far this year are the ten members of the Varsity basketball team. Left to right are: (Back row) Alan Martin, manager; Mike Hilberling, William

Green, Doug Helvey, Keith Ligon, and Mike Groff. (Front row) Raul Rios, Jim Leverett, Gene McAnelly, Ray Garcia and Brian Finger.

LIGON LAYS UP

... two points in basketball action at Hondo gym last week. Looking on are Brian Finger (partially hidden), Doug Helvey (15), and Raul Rios (23).

## David Finger is Frost V-P

The promotion of David W. Finger to vice president was announced by Donald W. Garrett, president of Frost National Bank, San Antonio. The announcement was made following the regular monthly meeting of the bank's board of directors.

A native of D'Hanis, Finger joined the bank staff in May, 1968. He has served as a trust administrator and will now head the trust department's employee benefit division. Finger is the son of Mrs. Marie M. Finger of D'Hanis. He graduated from D'Hanis High School and received degrees in general arts and in law from St. Mary's University of San Antonio.

A member of the St. Luke's Catholic Church Parish Board, Finger serves as vice president and program chairman of the San Antonio Estate Planners' Council. He

is a member of the Texas State Bar Association, the San Antonio Bar Association, San Antonio Junior Bar Association and the American Institute of Banking.

Annual rainfall for 1972 (compiled by Taylor-Chapman Service) includes: January, 0.65 inch; February, 0.00; March, 0.50; April, 1.55; May, 6.40; June, 3.40; July, 2.55; August, 8.10; September, 5.00; October, 1.75; November, 0.80; and December, 0.25 for a total of 30.95.

The slow drizzle that fell since the last issue of the paper (Jan. 4) has reached only about .2 inch, but more rain is in the offing for today.

Adolph Hutzler, who has reported on the rainfall around Biry for quite a few years, sent his report for 1972 from his place east of Biry on Highway 173.

Credit should be given, says Hutzler, to his neighbor and friend Randolph Haass who "read the rain gauge for me from the first part of September to the end of the year."

His totals are as follow, and it is an interesting comparison with the Hondo records: January, 1.50 inch; February, .25; March, .20; April, 1.10; May, 11.55; June, 1.50; July, 2.50; August, 4.96; September, 1.80; October, .53; November, 1.10; December, .31 for a total of 27.35.

# Natalia and Chacon Lake news

By Mrs. I. W. Thompson

Mr. and Mrs. Thomas B. Cantwell, Thomas Jay and Robert Wayne, San Antonio, the Paul Glowkas, Mickey and Paul Scott, Hondo, visited from Sunday afternoon until Christmas evening with Mr. and Mrs. Cecile P. Honeycutt. Thomas Jay and Robert Wayne remained for a longer visit with their grandparents.

Mr. Charles Jackson is now at home after convalescing two different times in the Osteopathic Hospital in San Antonio.

The William R. Jacksons have as their house guests, his brother and family, the Roger Jacksons, Debra and Gregory of Glenview, Illinois. The Jacksons entertained with a buffet supper and the group opened their Christmas gifts Christmas evening. They enjoyed Christmas dinner at the home of the Jackson brothers' parents, the George Whitcomb, at 507 Hickory Way, Devine. Mr. and Mrs. Otto Wandell, San Antonio, joined the group for Christmas dinner.

The C. V. Kers motored to Crowley Friday morning and visited until Tuesday morning with their daughter

and family, the James D. Putmans, John, Timothy and Annette where they were joined by their daughter and family, the Wesley Lemons, Ginger, Tracy Lane, and Jean Lynn, Sherman. The group attended church services Sunday morning at the Gambrel Street Baptist Church.

Christmas holiday guests in the home of the Kenneth D. Walkers were their son and family, Buck Sergeant and Mrs. John Bourcier and Kelley, Clovis, New Mexico, the Bobby Morgans and the R. A. Martinezes, San Antonio, the B. G. Bates and children, Nelson Morgan, the Jerry Walkers and children, San Antonio, the James Walkers and children, Corpus Christi, the W. C. Walkers and children, Austin; also the B. G. Fulkons and children of San Antonio.

Airman Luciano Pena, Jr. who is stationed at the Good Fellow Air Force Base, San Angelo, arrived home Friday and visited until Tuesday with his parents, the Luciano Penas, joining the family on Saturday and visiting until Christmas evening were the Pena's daughters and families, the Ambrosio Cuellars, David

and Carlos and the John Valdezes and Reuben, San Antonio; Mr. Pena's sister and brother-in-law, the Victor Benevides and David, Union City, California, were guests on Saturday.

Mr. and Mrs. Cecile Patrick Honeycutt and Cecile Patrick, Jr. of Little Rock, Ark. arrived Wednesday for the week dividing time with their parents, the Jack Nicholson and the C. P. Honeycutts. The Nicholson had as their dinner guests Christmas evening the Honeycutts and her mother, Mrs. W. R. Rogers, and her brother and sister-in-law, the James Rogers of San Antonio. Miss Sharon Nicholson teacher in the school at Donna, arrived Wednesday evening for a visit through the New Year's holidays with her parents, Miss Nicholson enjoyed the Christmas holidays in Louisiana visiting friends.

Christmas holiday and Christmas Day dinner guests in the home of the M. N. Smiths included their daughters and sons-in-law, the Elmer Wilks, Baytown; the H. L. Bradleys, the Frank J. Gunns and Mrs. Lola Sis-

ley, Jimmy and Mark, San Antonio; their grandsons and families, the Dean Wilks, Gary and Scotty, Baytown; the Jack Bradleys, Jack, Jr., Pamela Gina and Kelly, and the Don Bradleys and Don Jr.

Christmas Day dinner guests in the home of the Henry Birdsong, Jimmy and Paul were Birdsong's sisters, Mrs. Ruth Jackson and Mrs. Irene Massey and Timmy, Bobby Martin and Elsie Moczygembo, San Antonio.

Mrs. John L. Kempf, Mrs. Melton McMillan, Lewis and Gregory joined Mr. McMillan on Wednesday afternoon for a visit and dinner at the home of Mrs. Kempf's sister, Mrs. E. E. Bradley in Pipe Creek.

Mr. and Mrs. Jerry Capps, Houston, arrived Thursday and visited until the following Thursday with his parents, the Wayne Capps, and Mrs. Capps' sister and brother-in-law, the Estal Banks, Houston, came Saturday and visited until Christmas afternoon dividing time with the Capps and his mother, Mrs. I. S. Banks.

S/Sgt. David O. Meeker from Travis AFB, California surprised his wife, the former Bonnie Hurry, by arriving Sunday morning for a visit and joining her at the Natalia Baptist Church. Mrs. Meeker and sons, David, Jr. and Timothy, came around two weeks before Christmas for a visit with her parents, the A. D. Hurrys.

Mr. and Mrs. Hector Hernandez, Hector, Jr. and Richard have as their holiday guests, her mother, Mrs. Claudia Velarde from Monclova, Mexico; her sister

and family, the Haricio Mezas and Haricio, Jr., San Luis Potosi, Mexico; Mr. and Mrs. David Long, David, Jr., Angie and Isaac and Mrs. Aurarita Long, San Antonio, joined the group for Christmas Day.

Mr. and Mrs. C. T. Reagan and Billy motored to Port Arthur Saturday morning and visited until Tuesday afternoon with their son and family, Dr. and Mrs. Tom Reagan, Tammie and Tommy and their daughter, Miss Mary Jane Reagan, student at Lamar University in Beaumont.
